weekday stay

Min # of participants: 6 People

The Izu Peninsula is blessed with natural beauty, rich culture and temperate balanced climate.

Offering views across Suruga Bay to Mt. Fuji, or the mountains to Hakone, its location is perfect for the traveller looking to escape the urban sprawl of Tokyo or Osaka.

The Izu Peninsula might be one of the better options for experiencing some of the more traditional aspects of Japanese life and cuisine.

What is eBike?

- Electric assisted bicycle
